## The Italian National e-Procurement Platform – 2020 main trends

Rome, 4 March 2021

# Public Spending Rationalization Program – Growing expenditure value and e-proc platform usage

EXPENDITURE VALUE 2013-2020 (MLN/€)

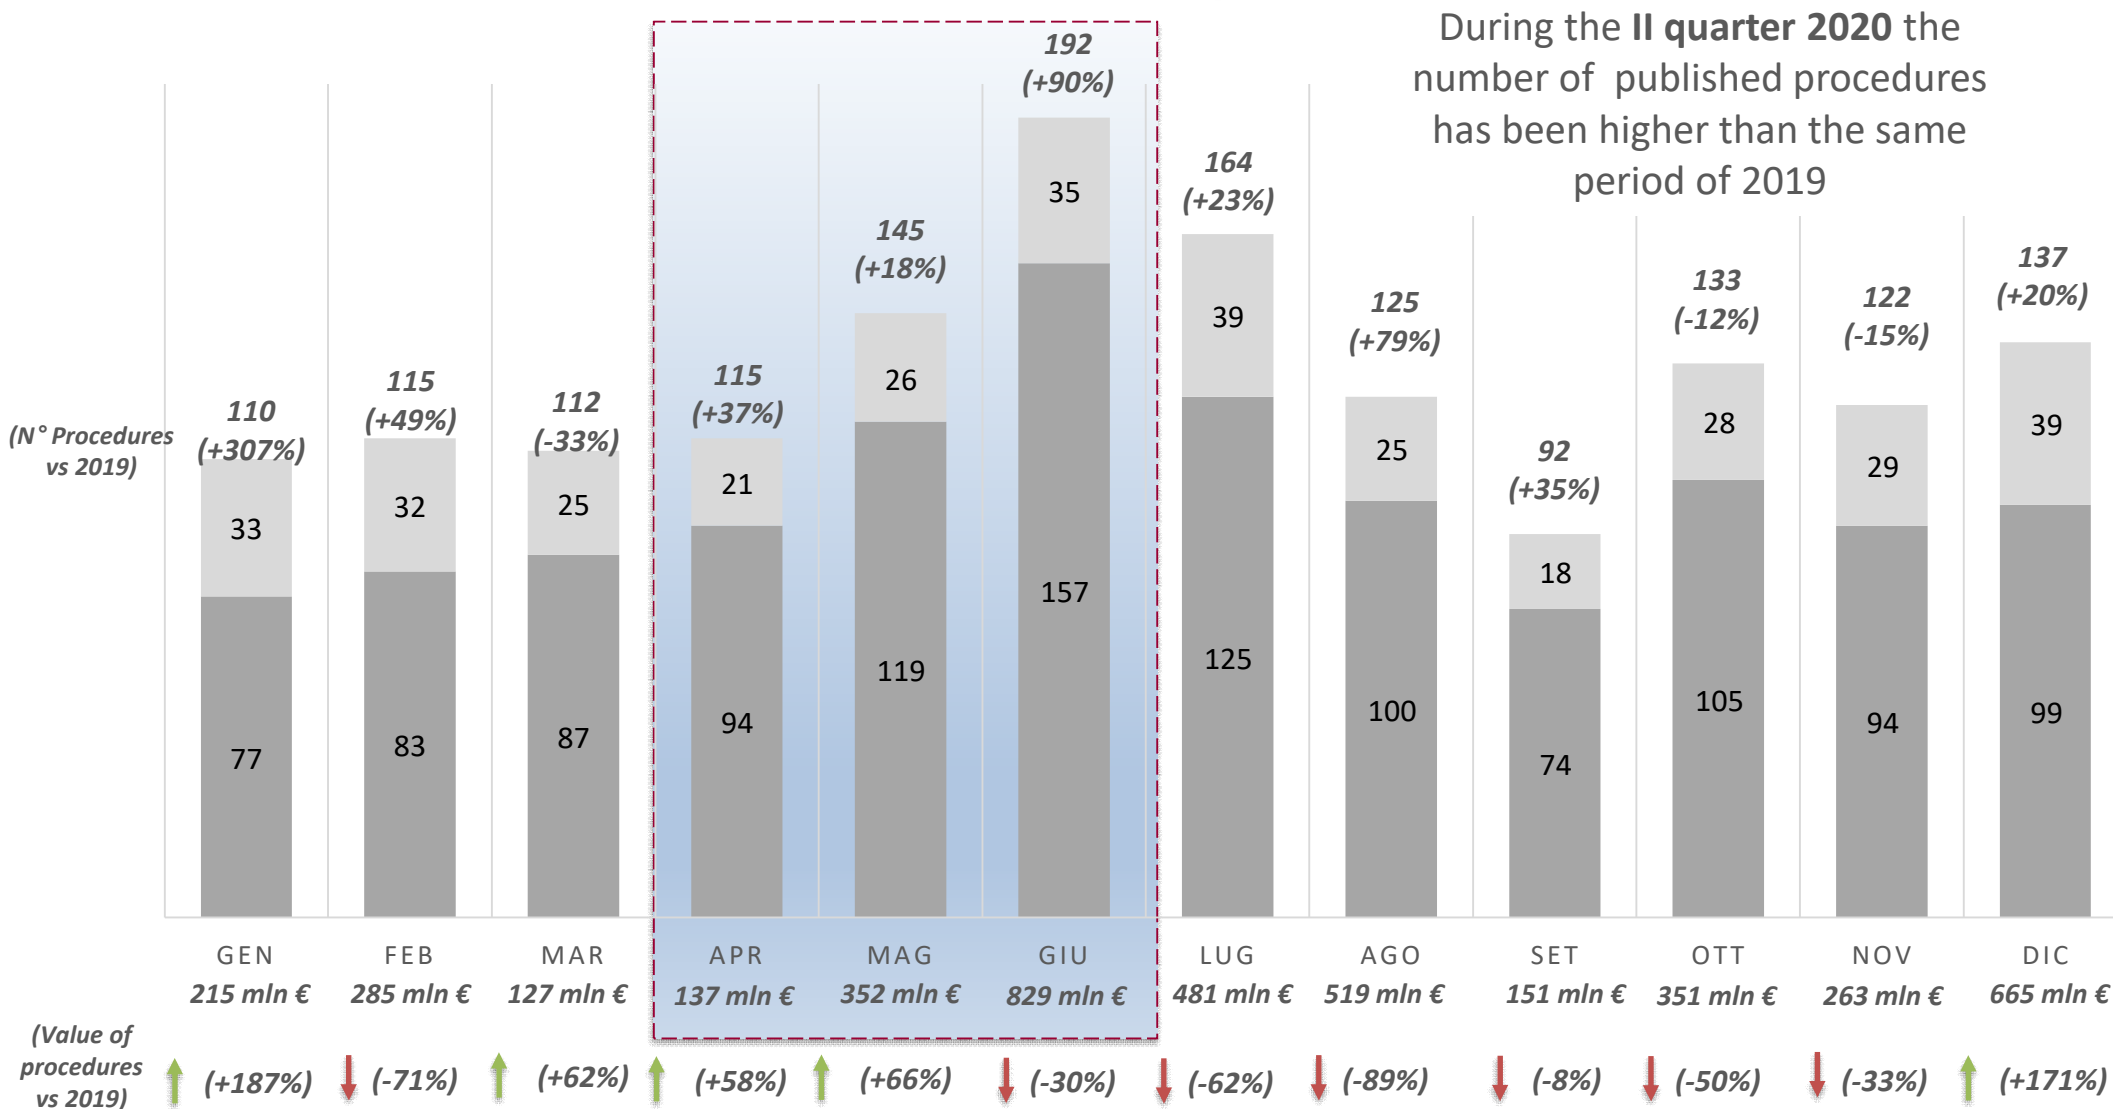

- ➔ More than:
  - **700k procedures**
  - **90k Public Buyers**
  - **150k Suppliers**
- ➔ An overall **growth in the use of digital purchasing tools**
- ➔ A **change in the mix of tools**: MEPA, DPS and ASP tenders are growing... **greater awareness of the PAs on the use of e-proc tools**
